Dear Mr. Gosch:

Pursuant to Section 81.65 of the Texas Administrative Code, Hart Intercivic ("Hart") has submitted to our office a request for an administrative certification of a minor modification.

The proposed modification, ECO #1583, is the replacement of an existing thermal printer on the Verity Duo device with an upgraded version of that printer that contains newer firmware. The purpose of the proposed modification is to increase the print speed of the Verity Duo Device.

We have reviewed the materials you provided with your request, including the SLI Compliance test reports. Our voting system examiners reviewed the information submitted and agree that Hart's proposed modification does not warrant additional examination, and that a full certification review is not required.

Based on the information provided by Hart and the recommendations of the appointed examiners, I hereby certify Hart's request to allow the proposed modification to Verity 2.3, 2.4, 2.5, and 2.7 in ECO #1583.

If you need additional information, please contact the Elections Division at 1-800-252-2216.

Sincerely,

A handwritten signature in cursive script that reads "Christina W. Adkins".
