

Name of Form:

Envelope to Mail Ballot Materials to FPCA Voter.

Purpose:

To expedite providing balloting materials to voters.

Comments:

The envelope must be large enough to hold the balloting materials.

The envelope is prescribed by Federal law therefore, the terminology is not amended for absentee to "early voting."

The only change on the envelope is the site of the Domestic Mail Manual from DMM 137.3 to DMM E080. This change should be made on all new envelopes after current stock is depleted. No other specifications changed on the envelope.
