Termination of a business opportunity registration in Texas is addressed by Section 51.251 of the Business Opportunity Act, chapter 51, Texas Business & Commerce Code and Section 97.23 of the secretary of state's administrative rules, title 1, chapter 97 of the Texas Administrative Code.

Section 51.251 provides that the principal seller of a registered business opportunity may voluntarily terminate the business opportunity's registration with the secretary of state if: (1) the registered business opportunity will no longer be offered in this state; (2) the registered business opportunity has changed to the extent that it no longer meets the definition of a business opportunity under Section 51.003(a); (3) the registered business opportunity has become exempt under Section 51.003(b); or (4) the principal seller offering the registered business opportunity ceases to exist as a legal entity.

Rule 97.23 sets forth the requirements for a business opportunity voluntary termination statement. This form was designed to meet the minimum requirements of Rule 97.23.

A voluntary termination is effective as of the date the secretary of state receives both the complete voluntary termination statement and the filing fee.
