

# TRANSFERRED RULES

The Government Code, §2002.058, authorizes the Secretary of State to remove or transfer rules within the Texas Administrative Code when the agency that promulgated the rules is abolished. The Secretary of State will publish notice of rule transfer or removal in this section of the *Texas Register*. The effective date of a rule transfer is the date set by the legislature, not the date of publication of notice. Proposed or emergency rules are not subject to administrative transfer.

## Department of State Health Services

### Rule Transfer

During the 84th Legislative Session, the Texas Legislature passed Senate Bill 200, addressing the reorganization of health and human services delivery in Texas. As a result, certain functions previously performed by the Department of State Health Services (DSHS), including client services, certain regulatory functions, and the operation of state hospitals, transferred to the Texas Health and Human Services Commission (HHSC) in accordance with Texas Government Code, §531.0201 and §531.02011. The DSHS rules in Texas Administrative Code, Title 25, Part 1, Chapter 1, Miscellaneous Provisions, Subchapter E, A Woman's Right to Know, that are related to these transferred functions, are being transferred to HHSC under Texas Administrative Code, Title 26, Part 1, Chapter 373, A Woman's Right to Know.

The rules will be transferred in the Texas Administrative Code effective April 30, 2025.

The following table outlines the rule transfer:
