The Texas Lottery Retailer shall verify the claim and, if valid, and upon presentation of proper identification, if appropriate, make payment of the amount due the claimant and physically void the Scratch Ticket; provided that the Texas Lottery Retailer may, but is not required, to pay a \$40.00, \$50.00, \$100, \$150, \$200 or \$500 Scratch Ticket Game. In the event the Texas Lottery Retailer cannot verify the claim, the Texas Lottery Retailer shall provide the claimant with a claim form and instruct the claimant on how to file a claim with the Texas Lottery. If the claim is validated by the Texas Lottery, a check shall be forwarded to the claimant in the amount due. In the event the claim is not validated, the claim shall be denied and the claimant shall be notified promptly. A claimant may also claim any of the above prizes under the procedure described in Section 2.3.B and Section 2.3.C of these Game Procedures.

B. To claim a "\$1,000,000 CROSSWORD" Scratch Ticket Game prize of \$2,000, \$20,000 or \$1,000,000, the claimant must sign the winning Scratch Ticket and may present it at one of the Texas Lottery's Claim Centers. If the claim is validated by the Texas Lottery, payment will be made to the bearer of the validated winning Scratch Ticket for that prize upon presentation of proper identification. When paying a prize of \$600 or more, the Texas Lottery shall file the appropriate income reporting form with the Internal Revenue Service (IRS) and shall withhold federal income tax at a rate set by the IRS if required. In the event that the claim is not validated by the Texas Lottery, the claim shall be denied and the claimant shall be notified promptly.

C. As an alternative method of claiming a "\$1,000,000 CROSSWORD" Scratch Ticket Game prize the claimant may submit the signed winning Scratch Ticket and a thoroughly completed claim form via mail. If a prize value is \$1,000,000 or more, the claimant must also provide proof of Social Security number or Tax Payer Identification (for U.S. Citizens or Resident Aliens). Mail all to: Texas Lottery Commission, P.O. Box 16600, Austin, Texas 78761-6600. The Texas Lottery is not responsible for Scratch Tickets lost in the mail. In the event that the claim is not validated by the Texas Lottery, the claim shall be denied and the claimant shall be notified promptly.

D. Prior to payment by the Texas Lottery of any prize, the Texas Lottery shall deduct the amount of a delinquent tax or other money from the winnings of a prize winner who has been finally determined to be:

1. delinquent in the payment of a tax or other money to a state agency and that delinquency is reported to the Comptroller under Government Code §403.055;

3. in default on a loan guaranteed under Chapter 57, Education Code; or

4. delinquent in child support payments in the amount determined by a court or a Title IV-D agency under Chapter 231, Family Code.

E. If a person is indebted or owes delinquent taxes to the State, other than those specified in the preceding paragraph, the winnings of a person shall be withheld until the debt or taxes are paid.

2.4 Allowance for Delay of Payment. The Texas Lottery may delay payment of the prize pending a final determination by the Executive Director, under any of the following circumstances:

A. if a dispute occurs, or it appears likely that a dispute may occur, regarding the prize;

B. if there is any question regarding the identity of the claimant;

C. if there is any question regarding the validity of the Scratch Ticket presented for payment; or

D. if the claim is subject to any deduction from the payment otherwise due, as described in Section 2.3.D of these Game Procedures. No liability for interest for any delay shall accrue to the benefit of the claimant pending payment of the claim.

2.5 Payment of Prizes to Persons Under 18. If a person under the age of 18 years is entitled to a cash prize under \$600 from the "\$1,000,000 CROSSWORD" Scratch Ticket Game, the Texas Lottery shall deliver to an adult member of the minor's family or the minor's guardian a check or warrant in the amount of the prize payable to the order of the minor.

Any rights to a prize that is not claimed within that period, and in the manner specified in these Game Procedures and on the back of each Scratch Ticket, shall be forfeited.

2.8 Disclaimer. The number of prizes in a game is approximate based on the number of Scratch Tickets ordered. The number of actual prizes available in a game may vary based on number of Scratch Tickets man-

ufactured, testing, distribution, sales and number of prizes claimed. A Scratch Ticket Game may continue to be sold even when all the top prizes have been claimed.

3.0 Scratch Ticket Ownership.

A. Until such time as a signature is placed upon the back portion of a Scratch Ticket in the space designated, a Scratch Ticket shall be owned by the physical possessor of said Scratch Ticket. When a signature is placed on the back of the Scratch Ticket in the space designated, the player whose signature appears in that area shall be the owner of the Scratch Ticket and shall be entitled to any prize attributable thereto. Notwithstanding any name or names submitted on a claim form, the Executive Director shall make payment to the player whose signature

appears on the back of the Scratch Ticket in the space designated. If more than one name appears on the back of the Scratch Ticket, the Executive Director will require that one of those players whose name appears thereon be designated by such players to receive payment.

B. The Texas Lottery shall not be responsible for lost or stolen Scratch Tickets and shall not be required to pay on a lost or stolen Scratch Ticket.

4.0 Number and Value of Scratch Prizes. There will be approximately 15,000,000 Scratch Tickets in Scratch Ticket Game No. 2658. The approximate number and value of prizes in the game are as follows:

South East Texas Regional Planning Commission

Request for Proposal "Regionally Coordinated Transportation Planning"

Background

The South East Texas Regional Planning Commission (SETRPC) is a voluntary association of local governments that serves the area composed of Hardin, Jefferson, and Orange counties. The SETRPC resolves area-wide problems by promoting intergovernmental cooperation and coordination, by conducting comprehensive regional planning, and by providing a forum for the discussion and study of area issues. The SETRPC also conducts comprehensive planning services in community development, transportation, and environmental resources. The SETRPC is the designated Lead Agency in the southeast Texas region for regional public transportation coordination and cooperation with the Texas Department of Transportation for compliance with Chapter 461 of House Bill 3588 (eliminate waste, generate efficiencies, and reduce air pollution), in developing a coordinated public transit-human services transportation plan as required by the Fixing America's Surface Transportation Act (FAST Act). This plan is called the Regional Public Transportation Coordination Plan (RPTCP) and was last updated in April 2022. The RPTCP for the southeast Texas Region identifies efforts for regional service coordination, creates a transportation coordination plan, and creates an action plan for priority projects.

Public transportation in the southeast region includes primarily demand-response service, with two localities managing fixed-route systems. The SETRPC has been proceeding with planning efforts to implement projects in the region to provide seamless transportation within the region for the users of public transportation.

Objective

The SETRPC is seeking consultant services to assist in completing an updated, comprehensive regionally coordinated transportation plan and in participating in public involvement outreach. In addition, consultant services will involve performing transportation planning to develop implementation strategies for enhancing regional transportation services that lead to seamless public transportation throughout the southeast Texas region. It is anticipated that the requested services would be

performed between August 1, 2025 and January 31, 2027. Proposals are being requested from qualified firms or individuals with specific experience to perform this assignment.

If your firm is interested and qualified to complete Regionally Coordinated Transportation Planning for the southeast Texas region, the RFP can be downloaded from the SETRPC website: SETRPC.org or contact Bob Dickinson, Director, Transportation & Environmental Resources Division, at (409) 899-8444 x 7520, or via email at bdickinson@setrpc.org for a formal copy of the Request for Proposal.

Final proposals will be due by 3:00 p.m. CST on Tuesday June 17, 2025.
