TWC, §7.075, also requires that the commission promptly consider any written comments received and that the commission may withdraw or withhold approval of an AO if a comment discloses facts or considerations that indicate that consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the statutes and rules within the commission's jurisdiction or the commission's orders and permits issued in accordance with the commission's regulatory authority. Additional notice of changes to a proposed AO is not required to be published if those changes are made in response to written comments.

**Texas Health and Human Services Commission**

Public Notice - Community First Choice (CFC) Renewal  
Effective June 1, 2025

The Texas Health and Human Services Commission (HHSC) is submitting a request to the Centers for Medicare & Medicaid Services (CMS) to renew the Community First Choice (CFC) Selective Contracting program authorized under §1915(b)(4) of the Social Security Act (the Act). HHSC provides home and community-based attendant services under the state plan pursuant to §1915(k) of the Act but has a waiver under the CFC Selective Contracting program to limit choice

of CFC providers. CMS has approved the current CFC Selective Contracting program through May 31, 2025. The proposed effective date for this renewal is June 1, 2025.

HHSC intends to continue selective contracting for CFC services for CFC recipients enrolled in the following home and community-based waiver programs authorized under §1915(c) of the Act.

- Texas Home Living (TxHmL)
- Home and Community-based Services (HCS)
- Deaf Blind with Multiple Disabilities (DBMD)
- Community Living and Support Services (CLASS)

Under the current CFC Selective Contracting program, provider choice for CFC recipients enrolled in these waiver programs is limited to the recipient's provider of waiver services. To maintain existing recipient-provider relationships and to reduce administrative burden, HHSC is requesting to renew the CFC Selecting Contracting program to ensure that individuals in these waiver programs continue to receive services through existing provider networks.

This renewal clarifies HHSC's role in reviewing enrollment documentation from DBMD and CLASS providers and the corrective action plan process for DBMD and CLASS providers. This renewal clarifies HHSC's process for fiscal compliance monitoring and certification surveys and specifies Medicaid is the payor of last resort. This renewal also updates a reference to HHSC's Waiver Survey and Certification unit to use the current name of the unit, Long-Term Care Regulation (LTCR). This renewal does not make changes to services individuals receive.

 Licensing Actions for Radioactive Materials

During the first half of October 2024, the Department of State Health Services (Department) has taken actions regarding Licenses for the possession and use of radioactive materials as listed in the tables (in alphabetical order by location). The subheading "Location" indicates the city in which the radioactive material may be possessed and/or used. The location listing "Throughout TX [Texas]" indicates that the radioactive material may be used on a temporary basis at locations throughout the state.

In issuing new licenses and amending and renewing existing licenses, the Department's Radiation Section has determined that the applicant has complied with the licensing requirements in Title 25 Texas Administrative Code (TAC), Chapter 289, for the noted action. In granting termination of licenses, the Department has determined that the licensee has complied with the applicable decommissioning requirements of 25 TAC, Chapter 289. In granting exemptions to the licensing requirements of Chapter 289, the Department has determined that the exemption is not prohibited by law and will not result in a significant risk to public health and safety and the environment.

A person affected by the actions published in this notice may request a hearing within 30 days of the publication date. A "person affected" is defined as a person who demonstrates that the person has suffered or will suffer actual injury or economic damage and, if the person is not a local government, is (a) a resident of a county, or a county adjacent to the county, in which radioactive material is or will be located, or (b) doing business or has a legal interest in land in the county or adjacent county. 25 TAC §289.205(b)(15); Health and Safety Code §401.003(15). Requests must be made in writing and should contain the words "hearing request," the name and address of the person affected by the agency action, the name and license number of the entity that is the subject of the hearing request, a brief statement of how the person is affected by the action what the requestor seeks as the outcome of the hearing, and the name and address of the attorney if the requestor is represented by an attorney. Send hearing requests by mail to: Hearing Request, Radioactive Material Licensing, MC 2835, PO Box 149347, Austin, Texas 78714-9347, or by fax to: (512) 206-3760, or by e-mail to: RAMlicensing@dshs.texas.gov.

### North Central Texas Council of Governments

#### Request for Proposals - McKinney Avenue Transit Authority Americans with Disabilities Act Accessibility Study

The North Central Texas Council of Governments (NCTCOG) is requesting written proposals from consultant firms to assist the North Central Texas Council of Governments (NCTCOG) and the McKinney Avenue Transit Authority (MATA) to create a plan to implement modifications to improve accessibility on MATA's transit system, the M-Line in central Dallas. The plan will specifically identify options to make the M-Line compliant with Texas Accessibility Standards (TAS)

and Americans with Disabilities Act (ADA) standards. This would allow the agency to be eligible for federal funding for future operations and projects, thereby improving connectivity in its service area and the level of service currently being provided by MATA. The plan will also identify the financial impacts and various tradeoffs that will be associated with the modifications needed for TAS and ADA compliance, which should be considered. Dallas Area Rapid Transit (DART) and the City of Dallas will also be a part of the project oversight team. The selected consultant will carry out tasks related to project management, stakeholder involvement, a comprehensive transit needs assessment, scenario development, and final report preparation.

Proposals must be received in-hand no later than **5:00 p.m., Central Time**, on **Friday, January 17, 2025**, to Gypsy Gavia, Program Manager, North Central Texas Council of Governments, 616 Six Flags Drive, Arlington, Texas 76011 and electronic submissions to [TransRFPs@nctcog.org](mailto:TransRFPs@nctcog.org). The Request for Proposals will be available at [www.nctcog.org/rfp](http://www.nctcog.org/rfp) by the close of business on **Friday, December 6, 2024**.

NCTCOG encourages participation by disadvantaged business enterprises and does not discriminate on the basis of age, race, color, religion, sex, national origin, or disability.

# TEXAS RULES OF CIVIL PROCEDURE

## RULE 103. WHO MAY SERVE

Process including citation and other notices, writs, orders, and other papers issued by the court may be served anywhere by (1) any sheriff or constable or other person authorized by law, (2) any person authorized by law or by written order of the court who is not less than eighteen years of age, or (3) any person certified ~~under order of the Supreme Court~~ by the Judicial Branch Certification Commission. Service by registered or certified mail and citation by publication must, if requested, be made by the clerk of the court in which the case is pending. But no person who is a party to or interested in the outcome of a suit may serve any process in that suit, and, unless otherwise authorized by a written court order, only a sheriff or constable may serve a citation in an action of forcible entry and detainer, a writ that requires the actual taking of possession of a person, property or thing, or process requiring that an enforcement action be physically enforced by the person delivery the process. The order authorizing a person to serve process may be made without written motion and no fee may be imposed for issuance of such order.

### Notes and Comments

Comment to 1988 change: The amendment makes clear that the courts are permitted to authorize persons other than Sheriffs or Constables to serve Citation. Further, Sheriffs or Constables are not restricted to service in their county. The last sentence is added to avoid the necessity of motions and fees.

Comment- 2005: The rule is amended to include among the persons authorized to effect service those who meet certification requirements promulgated by the Supreme Court and to prohibit private individuals from serving certain types of process unless, in rare circumstances, a court authorizes an individual to do so.

\*\*\*

## RULE 107. RETURN OF SERVICE

- (a) The officer or authorized person executing the citation must complete a return of service. The return may, but need not, be endorsed on or attached to the citation.

  - (8) the manner of delivery of service or attempted service;
  - (9) the name of the person who served or attempted to serve the process;

  - (11) any other information required by rule or law.
- (c) When the citation was served by registered or certified mail as authorized by Rule 106, the return by the officer or authorized person must also contain the return receipt with the addressee's signature.
- (d) When the officer or authorized person has not served the citation, the return shall show the diligence used by the officer or authorized person to execute the same and the cause of failure to execute it, and where the defendant is to be found, if ascertainable.
- (e) The officer or authorized person who serves or attempts to serve a citation must sign the return. If the return is signed by a person other than a sheriff, constable, or the clerk of the court, the return must either be verified or be signed under penalty of perjury. ### Notes and Comments

Comment to 1988 change: Amendments are made to conform to changes in Rule 103.

Comment to 1990 change: To state more directly that a default judgment can be obtained when the defendant has been served with process in a foreign country pursuant to the provisions of Rules 108 or 108a.

2021 Comment: Certain default orders, like those in suits for protection from family violence, may be exempt by statute from the ten-day requirement in paragraph (h). *See, e.g.,* TEX. FAM. CODE § 85.006.
